

# Accessibility Statement for Bay Area Diesel Testing

This is an accessibility statement from Bay Area Mobile Diesel Testing.

## Conformance status

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Bay Area Diesel Testing is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.
